

Guidelines for the Correct Use of the Java Get It Now™ Web Link Button

Licensee Java Get It Now

You may only use the Java™ Get It Now button as a link to www.java.com, Sun's cool consumer site for Java technology.

When using the Java Get It Now button, please remember the following:

- Use this button only as a link on your web site to www.java.com. Do not use this button for any other reason or as a link to other sites.
- Design your web page so this button appears by itself, with a reasonable amount of clear space around it. Do not use it as part of any other graphic or text.
- Use this button only onscreen as part of an Internet site. This logo is not meant to be placed on products, print advertising, business cards, etc.
- This logo is meant to help people acquire Java technology. It is not meant to imply any endorsement by Sun. Please use it in the spirit in which it is intended.
- Please be respectful of Sun's trademarks when using this logo. Do not use this logo in contexts that can be considered in poor taste or that reflect poorly on Sun, its products, technologies or services. If your web site is currently in violation of any law, do not use this logo.

Be careful to consider:

- This Java Get It Now button cannot be altered in any way.
- This Java Get It Now button or link should not be given to others. If others are interested in using this button, please encourage them to apply for usage rights at <http://logos.sun.com>.

By using the Java Get It Now logo button, you agree to follow the Sun Trademark and Logo Usage Requirements located at: <http://www.sun.com/policies/trademarks/> and any other usage guidelines that Sun provides.

Where feasible, consider posting the following statement on the page where the button appears or a page accessible from this page: Java is a trademark or registered trademark of Sun Microsystems, Inc. in the United States and other countries.
